Saturday, February 1st, 2020 @ 1pm

Digital Submission: Email images of your artworks, 1MB max, properly cropped

About the Exhibition:

Growth will create feelings that flutter, it can melt your long-held beliefs like butter, creating butterfly moods and clutter yet somehow, we recognize the creation that comes that signals the breadth of new visions and new understandings.

As we close a decade and welcome another, growing through what we have gone through, it can lead us forward in leaps and bounds.

Beaux Arts seeks artwork that demonstrates, in any subject matters, that speak to growing in leaps and bounds. Perhaps you're an artist creating awareness of a social cause that is close to your heart or working through a phase of life experience that is expanding expression, whichever the motivator or medium, submit your artwork for consideration to this fresh new art exhibition for our gallery walls and our dedicated audiences.

Artists are invited to submit one to three works for this show that offers cash prizes for 1st and 2nd place winners, as well as Honourable Mention and People's Choice awards!

Members: \$20 first submission, \$10 for every additional submission.

Non-Members: \$25 first submission, \$15 for every additional submission.
